

TEXAS COASTAL MANAGEMENT PROGRAM

**UP TO \$1.8 MILLION WORTH OF GRANTS WILL SOON
BE AWARDED FOR COASTAL PROJECTS IN YOUR AREA**

Commissioner George P. Bush will sponsor three grant workshops to give potential applicants an opportunity to hear about the grant program and discuss specific project ideas with staff. These workshops will be beneficial for local, regional and state governments, nonprofits and public universities. Attendance for new applicants and project managers is highly recommended.

Find out how to apply for and submit a grant application. Attend one of three meetings in Port Isabel, Corpus Christi or Galveston for a Texas Coastal Management Program Grant Cycle 21 Workshop.

Coastal Grant Funding Opportunities through the Texas General Land Office

Up to \$1.8 million in grants for critical habitat enhancement, coastal hazard response, beach and bay access, waterfront revitalization, ecotourism development, permit streamlining, local planning assistance, water quality or other coastal projects are available, and staff from the General Land Office are touring the Texas coast explaining how to apply.

Applicants must provide a local or third-party match to comply with federal matching requirements. Applicants contributing cash must provide a local match of 25 percent

of total project costs. Applicants contributing in-kind services, donations, indirect costs, and/or third-party assistance must provide a match of 50 percent of total project costs.

The deadline to submit draft applications is June 17, 2015, with final applications due on September 23, 2015.
